

USGBC NM Chapter

April 2008 Salon

Topic: Green Your Existing Building
"Love the one you're with"

Speakers: Ed Cook of Service Master
Julie Walleisa & Aneile Cummings of
Dekker/Perich/Sabatini

Ed will discuss Green Commercial Methods and Products. Julie and Aneile will discuss how business owners can green their operations – focusing on purchasing strategies, ongoing recycling, green housekeeping, starting a rideshare program, green investments, green power, green maintenance, etc.

Date: Wednesday, April 30

Time: 6 pm to approximately 7:30 pm

Location : UNM Continuing Education
1634 University Blvd NE
South Building – Room 222
Albuquerque, NM 87104

About the Salon

- ◆ The USGBC NM Chapter is holding a series of programs called **SALONS**, to discuss topics on green building issues, materials and LEED strategies.
- ◆ Each topic will have an invited "expert." The role of the expert is to bring high level technical information to guide the talk and offer high level content.
- ◆ Round table format (self introduction in a circle, and begin discussion).
- ◆ All Salons are Free!
